BANDITT

BANDITT

Burt Reynolds would be proud. Although our iteration is a bit different than his movie car. Dare we say; better. The stance makes all the difference. It is achieved thanks to the front IFS and rear tri 4 bar setup with coil-overs all around allowing us to run staggered 18" & 19" custom designed wheels all around. An LS3 crate motor provides sufficient omph with the option for both manual & auto transmission. Power assisted Wilwood disc brakes help it stop quickly.
