GULLWING

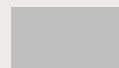

GULLWING

The Gullwing is an icon. The body lines are hands off. Instead, we concentrate on the lowered stance which is achieved thanks to the full frame chassis with double wishbones up front and a rear tri 4bar setup allowing us to run 18" and 20" wheels front to back. An LS3 crate motor lends 430 reliable horses and power assisted Wilwood disc brakes ensure more than adequate stopping power.
